

MARIA Request for Proposals
Wavelength-based Optical Network Services
Equinix Facility Street Address
Posted July 9, 2013

The MARIA RFP listed an old and incorrect street address for the MARIA equipment suite in the Equinix facility in Ashburn, Virginia.

The correct street address for MARIA's cage in Equinix is:

DC4
21691 Filigree Court
Building E
Ashburn, VA 20147

The Cage Number (41415) provided in the RFP Update Notes on July 1 is correct.
